Sub: Light house at Hoige Bazar/Bolar needs urgent attention

Dear Sir,

Drawing your attention to the light house located at Hoige Bazar/Bolar which is in a very bad shape with no signs of human existence that reflects over it. Trees have grown with its structural support.

Please immediately channel attention to correct this light house which serves as a guide for Fishermen near the shores. This would mitigate any disaster that is likely to happen while sailing.

My survey led me to identify the below pictures which does not paint a very good image to our efforts.

Yours Truly,

Sd/-
