Address: 601, Milagres Castle, Balmatta Road, Hampankatta, Mangalore-575001, India

Dated: 17th March, 2015.

Action for Road Safety

**To, The Deputy Commissioner,
Dakshina Kannada District, Government of Karnataka**

1. District Level Committee for road safety, chaired by the DC. 7 member committee other than Govt Officials.
2. Support the road safety advocacy groups.
3. Increase investment for Road Safety Activities with IEC activities.
4. Regulate Bus drivers and their driving discipline. Appreciate the Traffic Police surprise check on shrills and vacuum horns. But license should be suspended for two days
5. Auto Drivers should be taught first aid intervention. Because autos replace ambulance in most settings.
6. Enforce Seat Belt and helmet all over DK District, but strict check in Mangaluru City Limits.
7. Speed Cameras and cctv's to be installed.
8. Speed humps should be painted everywhere. Road safety audits
9. Develop trauma care skills of medical personnel at PHC level.
10. District Road Safety Action Plan. – To be formed by the District Level Committee for Road Safety.
11. Crashworthiness of vehicles remains largely doubtful.

Thanking you,

Dr Edmond Fernandes
