Respected Sir,

Milagres College being a visionary and forward looking institute, I would like to propose to you to organize a one day Mangalore Youth Leadership Summit 2015. I have prepared a timeline sketch for the same which is attached. This summit can be only for an invited audience of 30-50 enlightened Youth Leaders in Mangalore who will deliberate on how to make this into a smart city.

I have moved the Assistant Commissioner of Mangaluru on this regard and he has expressed interest to cultivate and nurture the coastal city. The Assistant Commissioner comes across to me as a Visionary and I am sure we can put together a think tank.

Under your leadership and aegis of Milagres College, I humbly submit this for your consideration. Look forward to hearing from you for further developments in this regard.

With best wishes,

Dr Edmond Fernandes,
CEO, Center for Health and Development
Associate, Madras Diabetes Research Foundation
Member, Association of Medical Doctors of Asia
